

Mega Cam

Hi-Speed USB 2.0, Built-In Lighting, 1.3 M Pixels

Model
460415

Keep in touch and in sight on the Web.

The MANHATTAN® Mega Cam helps improve online communications and experiences with high-quality photos and video. With simple, one-button operation and easy-to-use software, its 1.3 M pixel CMOS glass lens captures crisp and clear images and smooth, steady video to share with family and friends.

Easy to Install and Ready to Use

The compact size, sturdy base and Plug and Play installation make it a good accessory for desktop and notebook PCs.

Face-Tracking Software

Included software allows for face tracking. This feature keeps the subject in frame and focus without constant adjustment. Manual and automatic options are available. Manual controls allow limited Pan-Tilt-Zoom controls within the image space.

Lifetime Warranty

Strict manufacturing standards ensure the highest quality in all MANHATTAN products. All items carry a full Lifetime Warranty — the strongest quality commitment anyone can make.

Model
460415
